

# COMMONWEALTH WOODSTOVE CHANGE-OUT PROGRAM

Do you have an old woodstove? Stay ahead of winter and upgrade with help from a MassCEC rebate!

## REBATES:

- Replace non-EPA-certified woodstoves with clean, efficient wood and pellet stoves and get up to \$1,750.
- Residents who meet certain income requirements qualify for up to \$3,000.

## NEW EPA CERTIFIED STOVES:

- Burn more efficiently and cut annual fuel costs by 33%.
- Reduce smoke pollution that may trigger asthma and increase risk of heart and respiratory diseases.

**For more information, talk to your stove retailer  
or visit [www.masscec.com/woodstove](http://www.masscec.com/woodstove)**

**Rebates end August 21, 2017!**

*Rebates are for Massachusetts residents only*
