

# East Leverett to Long Hill Trails updated 2/3/17

The Leverett Trails Committee is co-sponsored by the Leverett Conservation Commission and the Rattlesnake Gutter Trust.

We want to thank:

- the volunteers who are helping clear and maintain the trails
- the Massachusetts DCR for a federally-funded Recreational Trails Program grant
- the private landowners who have so generously opened their land to hikers.

Please note:

- seasonal restrictions to protect ground-nesting birds (dogs on leash) at the East Leverett Meadow
- Teawaddle Hill Farm alternate trail when the cattle gate is closed
- Cider Mill Road is a private road and is open to walkers, but please park at the boat ramp
- Diamond symbols = color of trail tags. White = stakes with white tops.

Please join us on the trails. Questions? Observations? Offers of help? Contact us at [concom@leverett.ma.us](mailto:concom@leverett.ma.us)
