

Meeting Date: August 16, 2010

Meeting Start Time: 7:11 PM

Board Members Present: Fair, Dauchy, Hillman, and Phillips

Absent: Zipkowitz

Clerk: Sue Nagy

1. **Philip Howard**, present, owner **6 Mill Hill Road**. Mr. Howard was inquiring as to how to comply with new regulations on an old design plan. It was suggested that an approved Soil Evaluator do a new soil evaluation with **Steve Ball (Health Agent)** present to observe. Previous investigations may be used to partially meet requirements, depending on Steve Ball's judgment.
2. Received System Installation Observation Report from **SVE**, dated 8/4/2010 for **83 Long Plain Road**, owner **Shirley Nopper**. Installer Renaissance Excavating, signed by **Douglas Macleay, P.E.** Stating "The system appears to be installed in accordance with the approved plan and compliance with Title 5. **DSCP# R2010-07-07a**."
3. **Glen Ayers**, present, presented the board with an update regarding the Sludgehammer System at the Leverett CO-OP. **Paul Rosenberg**, present General Manager at the CO-OP. **Ayers** stated that the system seems to be working properly and will continue to monitor the system. The board would like a letter from Steve Ball, HA, before a COC can be issued.
4. On 7/29/2010 **Dauchy** issued approved DSCP **83 Long Plain Road**, owner **Shirley Nopper**. **DSCP# R2010-07-07a**. Also received "As Built" plans from Doug Macleay, P.E.
5. **Hillman** will follow up with FRCOG about the availability of the flu vaccine. Target October newsletter for public notice.
6. **Fair** moved to accept the minutes of the 7/19/2010 meeting as amended. **Phillips** seconded. Motion passed.
7. **Notes of 8/2/2010 meeting**, without quorum to be entered into the record for information.

Meeting Adjourned: 9:07

Next meeting Wednesday, September 8, 2010 @ 7:00 PM.

Susan Nagy, Clerk
