

OSRP Update 5th Meeting

April 17, 2018 7:30pm

Leverett Town Hall

Attendance: Pat Smith, Laurie Brown, Miho Connolly

- Pat brought in examples of the 2016 Orange OSRP and the 2014 Shelburne OSRP as up-to-date examples. ***Pat will send electronic files of these documents for our reference***

Final Draft of Section 3: Community Setting (3/22/18)

- Pat made some minor edits:
 - Pg.3-6: Formatting edit
 - Pg.3-11: Wording added in narrative to reflect projected 85 and over age distribution (as depicted in figure 3-4)
 - Pg. 3-12: Wording about children living in poverty clarified
 - ***Pat will send electronic file of finalized Section 3***
- Zoning Map
 - Richard Nathhorst has been working with Ryan at the FRCOG to produce a Zoning Map. Pat brought in a copy; this copy is correct with the Town's current Zoning map (3/11/18)
- Context Map
 - We need to produce a Context map, which will provide an overview of the Town's defining characteristics
 - Laurie and Miho provided some additions and edits to the map. ***Pat will make these changes and will send out a revised copy of the Context Map for the committee to review.***

Next Steps

- Our priorities may differ depending on whether or not CPA funding for the completion of the OSRP Update (\$19,000) is secured
 - We already have much of the information required for Section 4 (Environmental Inventory and Analysis). It would be much more useful to have the help of the FRCOG for producing Section 5 (Inventory of lands of Conservation and Recreation Interest).
- ***Miho will touch base with Pat*** after Town Meeting on 4/28 with information on whether or not we receive the CPA grant
 - If CPA funding is granted, we will begin Section 4: Environmental Inventory and Analysis
 - If CPA funding is not obtained, we will begin Section 5: Inventory of Lands of Conservation and Recreation Interest
 - We will keep working on maps for both sections
- ***Laurie will review geology section in Section 4***, and consider illustrations and diagrams to illustrate geological concepts

Photos and illustrations:

- We should start compiling photos that could be used to add interest to the OSRP
- ***Miho will set up a shared Google Drive Folder:***

- ***Miho will post in the next Town Newsletter*** asking residents to email in photos that are exemplary of Leverett's character and open spaces.

NEXT MEETING: Thursday, June 7 @ 7:30PM (or, Thursday, June 14)
