

LEVERETT TAX RELIEF COMMITTEE
MINUTES OF MARCH 25, 2017

Present: Shirley Thomas, Jason Noschese, Judy Weinthalder
Not in attendance: Don Robinson, Jim Hicks

We did not approve minutes of March 4 until the full committee is present.

Discussed the need to make the application and application process clearer. Jim is talking to the Assessors about possible changes outlined at the last meeting and we will delay this discussion until the next meeting to receive his report.

Discussed need to publicize both the need for funds and availability of tax relief. We outlined an article for the next Town Newsletter (deadline April 15) and Judy will send out drafts to the Committee. Timing is good since tax bills will be sent in the next few days and are due May 1.

Discussed a presentation at Town Meeting April 29. Judy and Shirley will not be there so hopefully Don and Jim can make a presentation about the need for funds and possibly use the Newsletter article as a handout.

At future meetings we want to continue work on the application and develop a guide of some short that describes the process. Shirley is contacting Lisa about putting this and other information about our committee on the Town website.

Possible dates for next meeting: April 1 or 15
