Article Thirteen: To see if the Town will vote to adopt the following bylaw, or take any action relative thereto:

RIGHT TO FARM BY-LAW

Section 1 Legislative Purpose and Intent

The purpose and intent of this By-law is to state with emphasis the Right to Farm accorded to all citizens of the Commonwealth under Article 97 of the Constitution and all state statutes and regulations thereunder including, but not limited to, Massachusetts General Laws Chapter 40A, Section 3, Paragraph 1; Chapter 90, Section 9; Chapter 111, Section 125A; and Chapter 128, Section 1A. We the citizens of the Town of Leverett restate and republish these rights pursuant to the Town’s authority conferred by Article 89 of the Articles of Amendment of the Massachusetts Constitution (“Home Rule Amendment”).

This General By-law encourages the pursuit of agriculture and forest management, promotes agriculture-based economic opportunities, and protects farmlands and managed forests within the Town of Leverett by allowing agricultural uses and related activities to function with minimal conflict with abutters and Town agencies. This bylaw recognizes that protection and improvement of forest and other agricultural land preserves our rural landscape, sustains our local economy and provides us with local food and timber. This By-law shall apply to all jurisdictional areas within the Town.

Section 2 Definitions

The word "farm" shall include any parcel of land or body of water for the primary purpose of agriculture or forestry or accessory thereto.

The words "farming" or “agriculture” or their derivatives shall include, but not be limited to, the following:

- farming in all its branches and the cultivation and tillage of the soil;
- growing and harvesting of forest products and the practice of silviculture upon forest land;
- dairying;
- production, cultivation, growing, and harvesting of any agricultural, aquacultural, floricultural, viticultural, or horticultural commodities;
- raising of livestock;
- keeping of horses as a commercial enterprise; and
- keeping and raising of poultry, swine, cattle, sheep, goats, ratites (such as emus, ostriches and rheas), and camelids (such as llamas and camels), and other domesticated animals for food and other agricultural purposes, including bees.

“Farming” shall encompass activities including, but not limited to, the following:

- operation and transportation of slow-moving farm equipment over roads within the Town;
- control of pests including, but not limited to, insects, weeds, predators and disease organisms of plants and animals;
- application of soil amendments including manure, fertilizers and minerals;
- application of biological and chemical weed and pest controls;
- conducting agriculture-related educational or recreational activities, provided that the activities are related to the farm's operation;
- processing and packaging of the agricultural output of the farm and the operation of a farmer's market or farm stand including appropriate signage;
- maintenance, repair, and storage of seasonal equipment, or apparatus owned or leased by the farm owner or manager used expressly for the purpose of propagation, processing, management, or sale of the agricultural and forest products; and
- on-farm relocation of earth and the clearing of ground for farming operations.

Section 3 Right To Farm Declaration

The Right to Farm is hereby recognized to exist within the Town of Leverett. The agricultural work described above may occur on holidays, weekdays and weekends by night or by day. Normally accepted agricultural practices sometimes produce incidental noise, dust and/or fumes. It is hereby determined that impacts which may be caused to others through the normal practice of agriculture are offset by the benefits of farming to the neighborhood, community, and society in general.

The benefits and protections of this By-law are intended to apply exclusively to those agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this Right to Farm By-law shall be deemed as acquiring any interest in land, or as imposing or exempting any land use regulation, which is properly the subject of state statute, regulation, or local zoning law.

Section 4 Disclosure Notification

Any real estate agent or private seller offering property in Leverett for sale or for lease must provide a copy of this By-law to any potential buyer or lease holder before any purchase and sale or lease-hold agreement is signed.

The Town Clerk shall annually notify residents of the substance of this By-law.

Section 5 Resolution of Disputes

Any person who seeks to complain about the operation of a farm or managed forest may, notwithstanding pursuing any other available remedy, file a grievance with the Selectboard, the Zoning Enforcement Officer, or the Board of Health, depending upon the nature of the grievance. The filing of the grievance does not suspend the time within which to pursue any other available remedies that the aggrieved may have. The Zoning Enforcement Officer or Selectboard may forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance, and report its recommendations to the referring Town authority within an agreed upon time frame.

The Board of Health, except in cases of imminent danger or public health risk, may forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance, and report its recommendations to the Board of Health within an agreed upon time frame.

Section 6 Severability Clause

If any part of this By-law is for any reason held to be unconstitutional or invalid, such decision shall not affect the remainder of this By-law. The Town of Leverett hereby declares the provisions of this By-law to be severable.

RESOLUTION

WHEREAS, George W. Bush and Richard B. Cheney have committed acts which many serious Constitutional scholars consider to be impeachable offenses, including the following:

- 1) George W. Bush ordered the National Security Agency to conduct electronic surveillance of U.S. citizens without seeking warrants from the Foreign Intelligence Surveillance Act (FISA) Court, duly constituted by Congress in 1978 for the purpose of approving such warrants, thus violating Title 50 United States Code, Section 1805;
- 2) George W. Bush and Richard B. Cheney conspired to commit the torture of prisoners in violation of the "Federal Torture Act" Title 18 United States Code, Section 113C, the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment and the Geneva Convention, which under Article VI of the Constitution are part of the "supreme Law of the Land";
- 3) George W. Bush and Richard B. Cheney conspired with others to defraud the United States by intentionally misleading Congress and the public regarding the threat from Iraq in order to justify invading and attacking that country in violation of Title 18 United States Code, Section 371 and the United Nations Charter;
- 4) George W. Bush and Richard B. Cheney attempted to strip U.S. citizens of their constitutional rights by ordering their indefinite detention without access to legal counsel, without charge and without the opportunity to appear before a civil judicial officer to challenge their detention, based solely on President's designation of U.S. citizens as "enemy combatants", all in subversion of law;

5) As part of the continuing war in Iraq, George W. Bush and Richard B. Cheney have violated the constitutional and international human rights of non-citizens by arbitrarily detaining hundreds of persons at Guantanamo Bay and other locations for more than four years without due process, without charges, and with limited – if any – access to counsel or courts;

6) George W. Bush and Richard B. Cheney have arrogated excessive power to the executive branch in violation of basic constitutional principles of the separation of powers while acting to undermine the authority of the legislative branch and the judiciary by issuing “signing statements” that claim that the executive branch may disregard laws enacted by Congress when the President or his subordinates deem it appropriate, and by the above referenced conduct; and,

WHEREAS, Petitions from the country at large may be presented by the Speaker of the House according to Clause 3 of House Rule XII;

NOW, THEREFORE, BE IT RESOLVED George W. Bush and Richard B. Cheney, by such conduct, warrant impeachment, trial, removal from office, and disqualification to hold and enjoy any office of honor, trust or profit under the United States;

BE IT FURTHER RESOLVED, by Town Meeting of the Town of Leverett, that our senators and representatives in the United States Congress be, and they are hereby, requested to cause to be instituted in the Congress of the United States proper proceedings for the investigation of the activities of the George W. Bush and Richard B. Cheney, to the end that they may both be impeached and removed from such office;

BE IT FURTHER RESOLVED, that the Leverett Town Clerk be, and is hereby, instructed to certify and transmit to the Speaker of the House of Representatives, under the seal of the Town of Leverett, a copy of this resolution and its adoption by the Town of Leverett, as a petition, and request that this petition be delivered to the Office of the Clerk and entered in the United States Congressional Journal.

And you are directed to serve this Warrant by posting up attested copies thereof on the Post Office, in the Town Hall and Congregational Church at Leverett, also the Baptist Church at North Leverett and the Village Co-op at Moores Corner, seven days at least before the day of said meeting.
